-February Vacation Week (February 13-21, 2010): Explore the world of knights in shining armor, of princesses trapped in a castle, and of fire breathing dragons.

Fun and excitement at the Higgins Armory Museum during school vacation week.

Live demonstrations, storytelling, and make-your-own shield workshops daily.

See [www.higgins.org](http://www.higgins.org) for more details.

All of the Higgins' activities are located inside the museum and plenty free parking is available in our large lot.
