

## [MIT Museum](#)

**Open Daily 10:00 - 5:00 p.m.**

**Admission: 7.50 adults, \$3.00 ages 18 & under**

February 15 - 19

School Vacation Week programs

Celebrate National Engineers Week with the MIT Museum!

All programs are free with Museum admission. Ever popular, the theme is robotics, with mini-workshops and demonstrations for ages 10 and up.

No registration is required; Workshops will be offered on a first come-first served basis.

**Daily programs include:**

**Robotics Demonstrations - 1:00-2:00 p.m.**

**Location: 1st floor**

*See real robots – old and new. Learn what robots can do today, and may be able to do tomorrow. Will they frown, and smile, drive a car, or clean your house?*

**Robotics Workshops - 2:00 -4:00 p.m.**

**Location: 2nd floor Education Center.**

**Sessions begin at 2:00, 2:30, 3:00, and 3:30. Please arrive early for free passes at the 2nd floor information desk. Enrollment limited.**

*Try your skills at constructing and programming a robot using Lego Mindstorms NXT.*
